Said report indicates law enforcement was contacted after a possible domestic violence dispute at the address of Glenna Poblete, Ms. Hanlan's mother. Special Condition # 19: You shall abstain from the use of illegal controlled substances, and shall submit to testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

It was at that time the offender was informed of all mandatory, standard, and special conditions of supervised release. The offender acknowledged she understood her obligation to the Court.

Ms. Hanlan violated her terms of supervised release by failing to abstain from illegal controlled substances by smoking marijuana.

On December 21, 2017, Ms. Hanlan submitted a urinalysis that tested presumptive positive for THC (marijuana). The U.S. Probation Office respectfully recommends the Court issue a summons requiring the offender to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
